As you get older the simplest of household tasks can lead to
Strains, Sprain, Muscular or Rheumatic pain.

Odourless Bayolin cream is rapidly absorbed through the skin,
penetrating quickly to the affected tissues bringing direct
relief of pain, inflammation and helps restore normal function.

ACCIDENTS WILL HAPPEN

Many accidents about the home result in painful bruises and swellings and when you're not there the patient still needs help.

Lasonil applied or gently massaged into the injured area as soon as possible after the accident will do more than just bring relief it will actually accelerate the healing process.
