WORKING

W

The Working with HIV and AIDS training manual has been specifically designed to provide comprehensive information about HIV and AIDS to all employees within an organisation.

Developed primarily to meet the training needs of health service staff, it will prove invaluable to any organisation seeking to ensure a well informed workforce.

Working with HIV and AIDS is presented in a modular format to provide a flexible approach to training in a variety of work settings.

MODULES:

An Introduction to HIV Related Disease.

Infection Control — Reducing the Risk.

Coping with AIDS.

Special Needs.

The working with HIV and AIDS Training Manual costs:

NHS	1-4 copies	£87.50 inc. p & p.
	5+ copies	£79.50 inc. p & p.
Non NHS	1-4 copies	£97.50 inc. p & p.
	5+ copies	£89.50 inc. p & p.

ith

H I V

Provides up to date information about HIV related illness.

Enables staff to assess the level of risk in both work and social situations.

Ensures all staff are aware of infection control guidelines and clarifies specific issues, e.g. confidentiality.

Provides staff with an insight into the social and psychological issues surrounding HIV infection and HIV related illnesses.

Provides a forum for discussion about issues relating to HIV and AIDS.

Comprehensive training manual includes:

85 pages with highlighted trainers notes.

OHP master sheets.

"HIV – Are You at Risk?", board game.

Sturdy ring binder presentation.
