"... It Only Happens to Pop Stars"
Sheffield Youth Talk About HIV and AIDS

This video is designed for use by workers with young people in a variety of settings.

Young people talk about how and if HIV and AIDS affects them - their sources of information; their levels of knowledge and understanding; what safer sex means to them if they feel able to change their behaviour; and their attitudes to people with HIV and AIDS.

The video is accompanied by a booklet to assist workers in using the video with groups of young people. It is an exciting, informative and challenging film, speaking from the experience of young people themselves - approximately 35 minutes long.

Cost: £30.00 (Statutory Organisations)
£25.00 (Voluntary Organisations)

Available for preview: £10.00
