Positively Social

Positive Life provides a safe, social space for positive gay and bisexual men to meet, get to know each other and get mutual support.

It meets on alternate Tuesday evenings from 6:30 til 8:30. The group provides a mix of drop-in evenings, trips to the theatre and cinema, plus update sessions with guest speakers sharing information that you may find useful.

We are attitude-free, relaxed and confidential.

Previous sessions have covered topics ranging from painting to criminalisation, treatment updates to yoga sessions and we're always open to new suggestions.
