## SAFE SEX OR SAFER SEX?

**INFECTION AND HIV -  
questioning 'at risk groups',  
looking at 'at risk activities'?**

## LIVING WITH HIV and AIDS?

### HIV AND AIDS - guidelines for workplaces

The messages we get about HIV from the media, friends, health professionals, can appear contradictory and confusing.

The Action on AIDS team is a Hackney based resource offering training and resource free to communities and individuals in Hackney.

If you would like help in raising awareness about this important health issue amongst the people you work with, please contact us.

## ACTION ON AIDS TEAM HEALTH PROMOTION UNIT

I would like someone from the Action on AIDS team to visit us to discuss:

arranging a 1/2, 1 or 2 day training session for our group

how we can build up our resources on HIV, AIDS and sexual health

how we can develop our own projects around HIV and sexual health

I would like to be sent:

more information about the team

a selection of leaflets available on HIV in \_\_\_\_\_ languages

information about current community projects on HIV in Hackney
