fucking...

**without condoms?**

sure you're negative?

**The only way to know for sure that you haven't got HIV is to test.**

**He can't be sure that he won't give you HIV, unless he tests.**

**If you want to reduce the risks when fucking without condoms, you need to know that you can't infect each other.**

**Unsure of your status? Is it time that you tested for HIV?**
