Dear Customer,

Durex is delighted to announce that effective from 1st October 1992, the condom expiry date will be printed on every individual condom foil. This will continue indefinitely.

It will take only a few more weeks for this new stock to replace existing warehouse stock to be supplied to you.

We are sure that this news will be welcomed by all - particularly those of you who have been requesting this addition through Stuart, Barrie and Ris.

Durex thanks you for your continued support and sends best wishes in the run up to World AIDS Day.

Yours sincerely,

A handwritten signature in black ink that reads 'Shaun Thaxter'.
