## FIGHT AIDS WITH NAC'S POSTERS, STICKERS, MUGS, T-SHIRTS & BADGES!

Our condom posters and stickers have proved extremely popular. Health authorities, schools, youth clubs, student unions, doctors, and many others have bought them, to put up on the walls of hospital waiting rooms, doctors' surgeries, swimming pools, youth clubs and schools, public toilets and on condom machines. Some authorities are using them as the basis for campaigns around safer sex. (See back page)

NEW: You can now spread the message with T-shirts, mugs and badges. (Graphic plus slogan only on these.)

All these items are in the same eye-catching bright golden yellow.
