Facts about rubberstuffers

We provide free condom packs on the gay scene in London

rs

We are a charity

rubberstuffers

We distribute **25 000** packs a month in over **125** venues - providing 50 000 instances of safer sex a month!

We got safer sex on London underground to show gay men that they are not alone and to remind gay men of safer sex on their way into town

All of our packs are hand packed by volunteers to keep costs low

We take equality seriously We have packs for gay men who are black, disabled, deaf or otherwise discriminated against

We supply our eights pack to selected chemists to give more gay men access to the right kind of condoms and lubricant

We run condom workshops to deal with the psychological and physical problems of condom use

We work with other HIV agencies to produce targeted condom packs and packed 20 000 Heath packs for GMFA last year

We produce special packs for events such as Pink Angels and the Soho Pink Weekend to keep safer sex alive

Our 'super model' campaign lets gay men know what condoms are appropriate and available

We hand deliver packs to most central London venues within 24 hours

We plan to make our packs available in even more places
