Please redouble our efforts - today

We often ask potential volunteers to think of the number of hours they want to spare us each week – and then halve it. That way they maintain their enthusiasm and hence their effectiveness, and stave off the almost inevitable 'burn out' of caring in such an emotionally charged atmosphere.

Can I ask you to do the opposite? Take the donation that comes to mind immediately – and then double it. If you can possibly afford to do that, you will be taking so much more pressure off our hundreds of Buddies and other volunteers, enabling them to achieve even more.
