let those
fingers do
the talking...

I wouldn't
mind getting
off with him

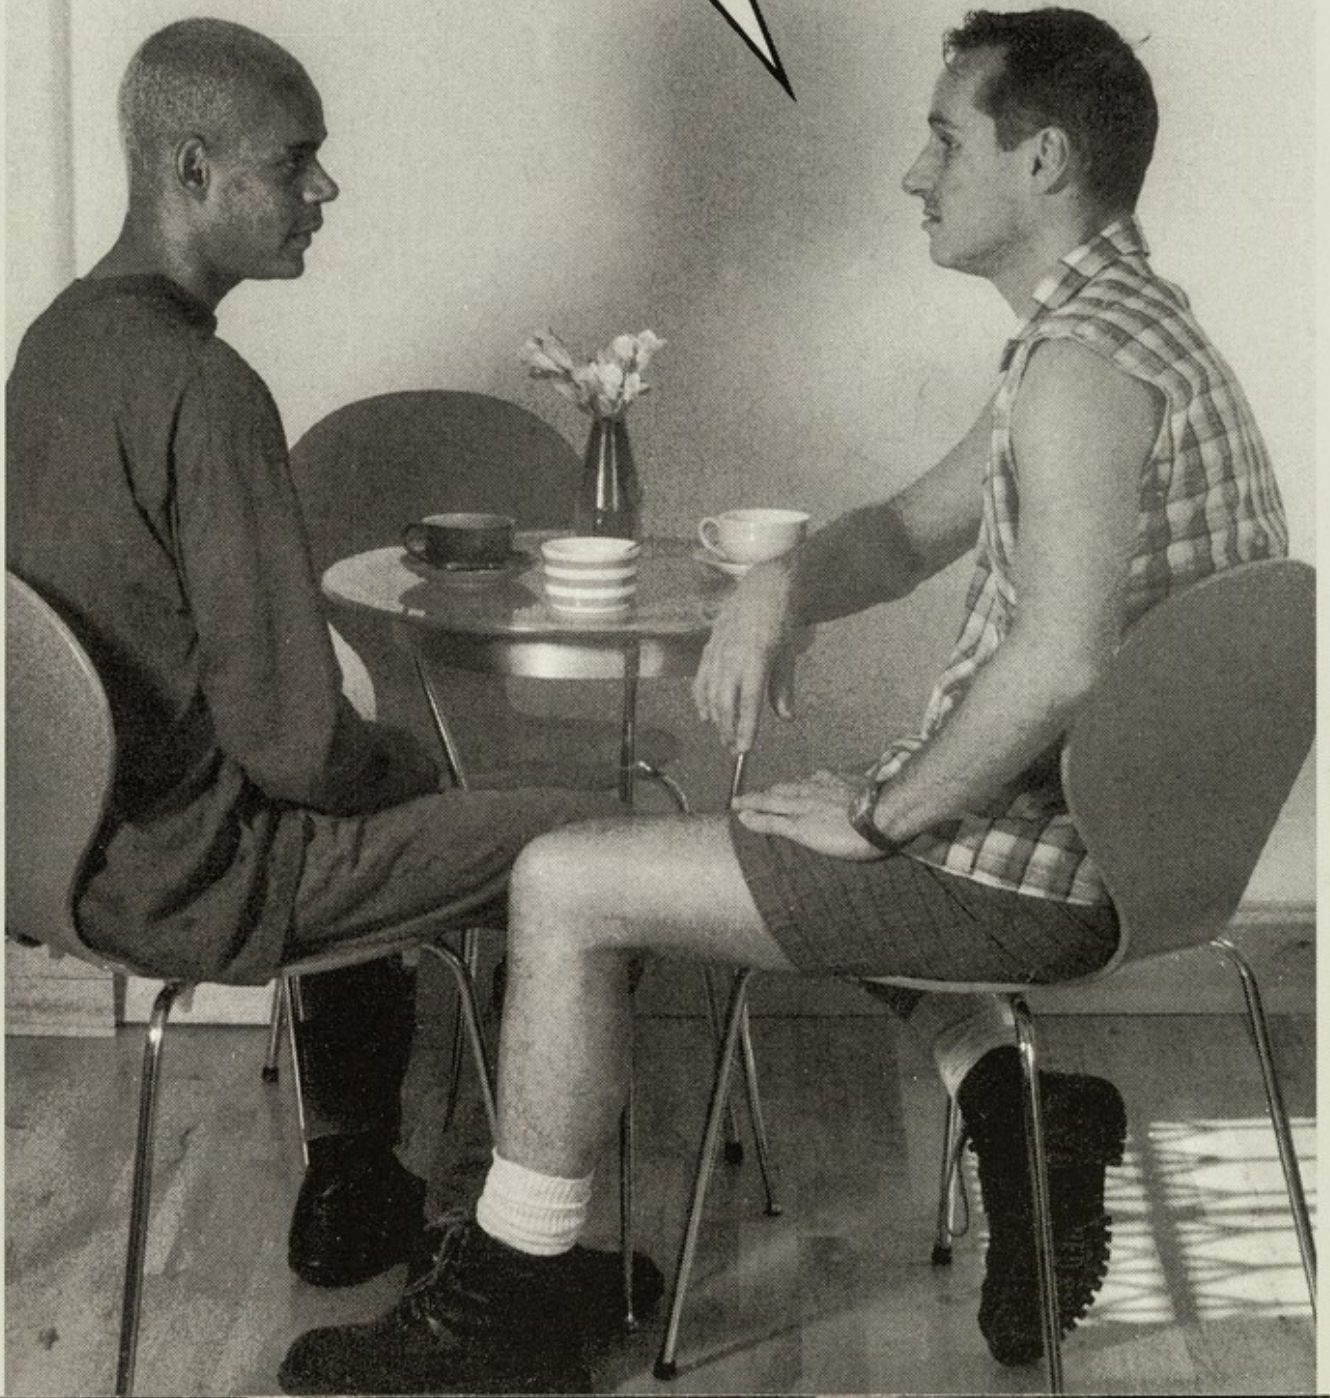

Hi! I'm Tom

I'm Phil, do you mind
if we go somewhere
better lit... maybe the
cafe upstairs?

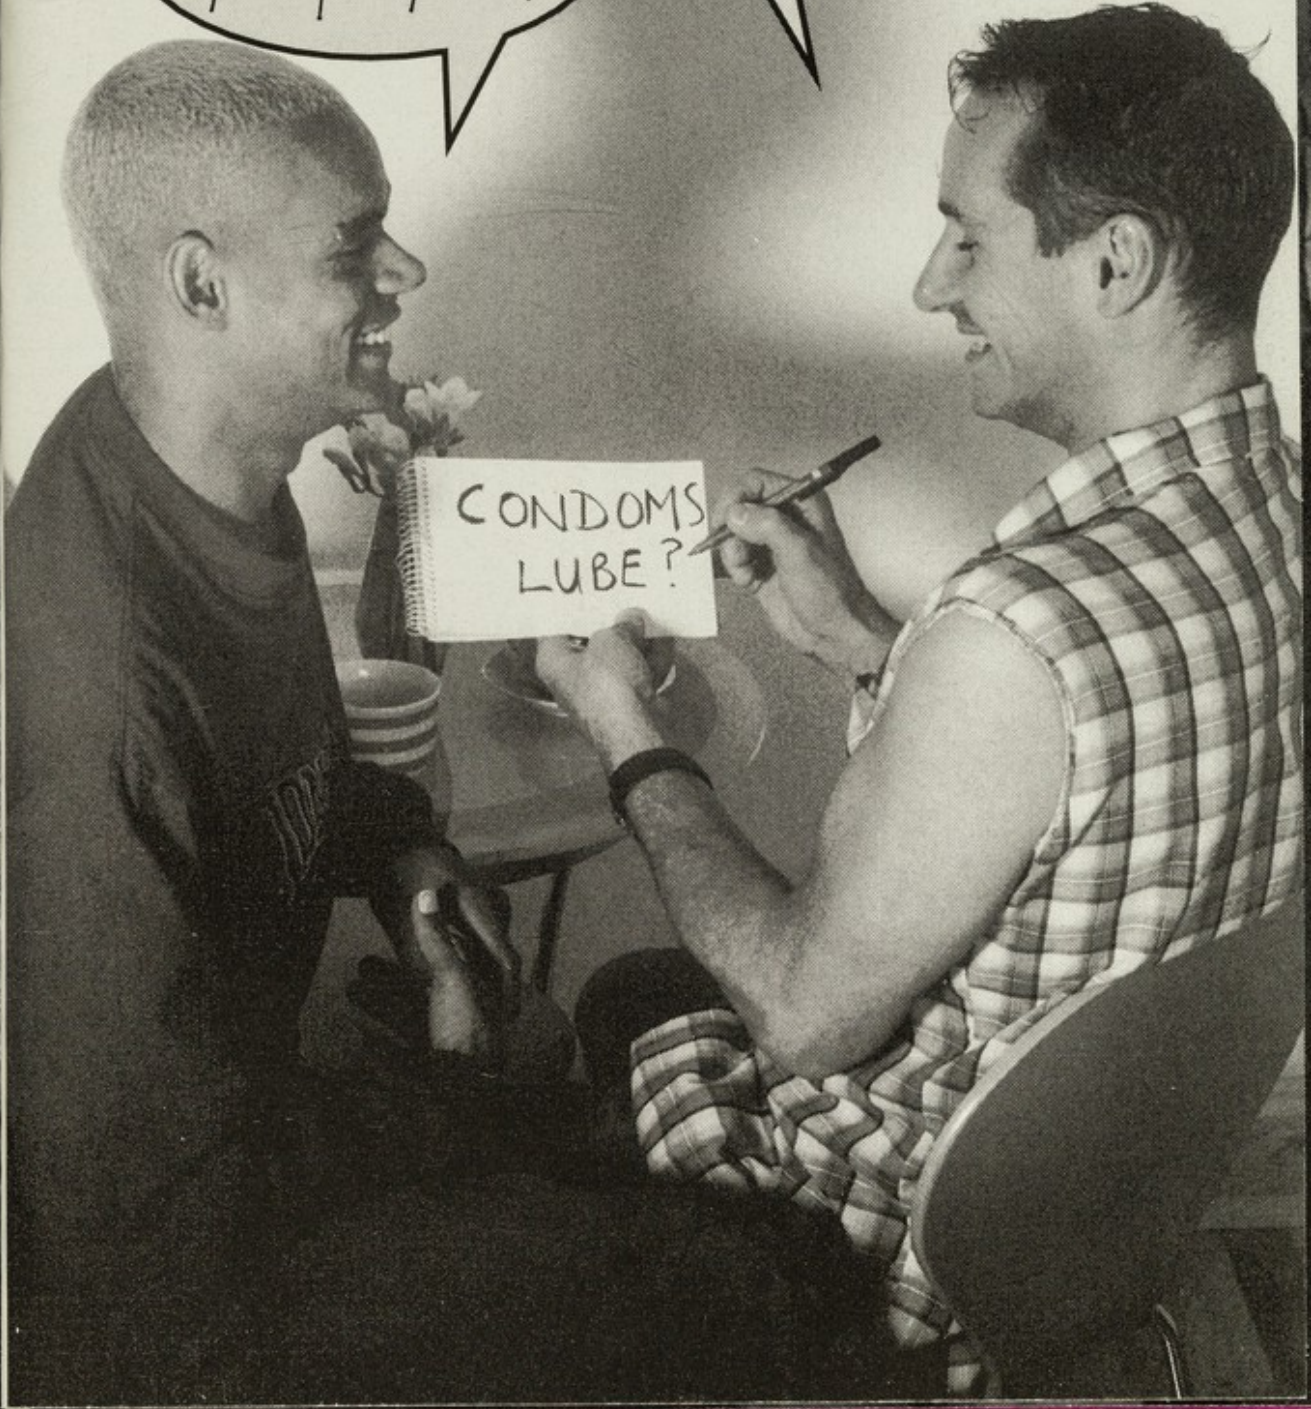

Thanks! I'm deaf so it makes lipreading easier... we can write things down as well.

and later...

So how do you fancy a fuck?

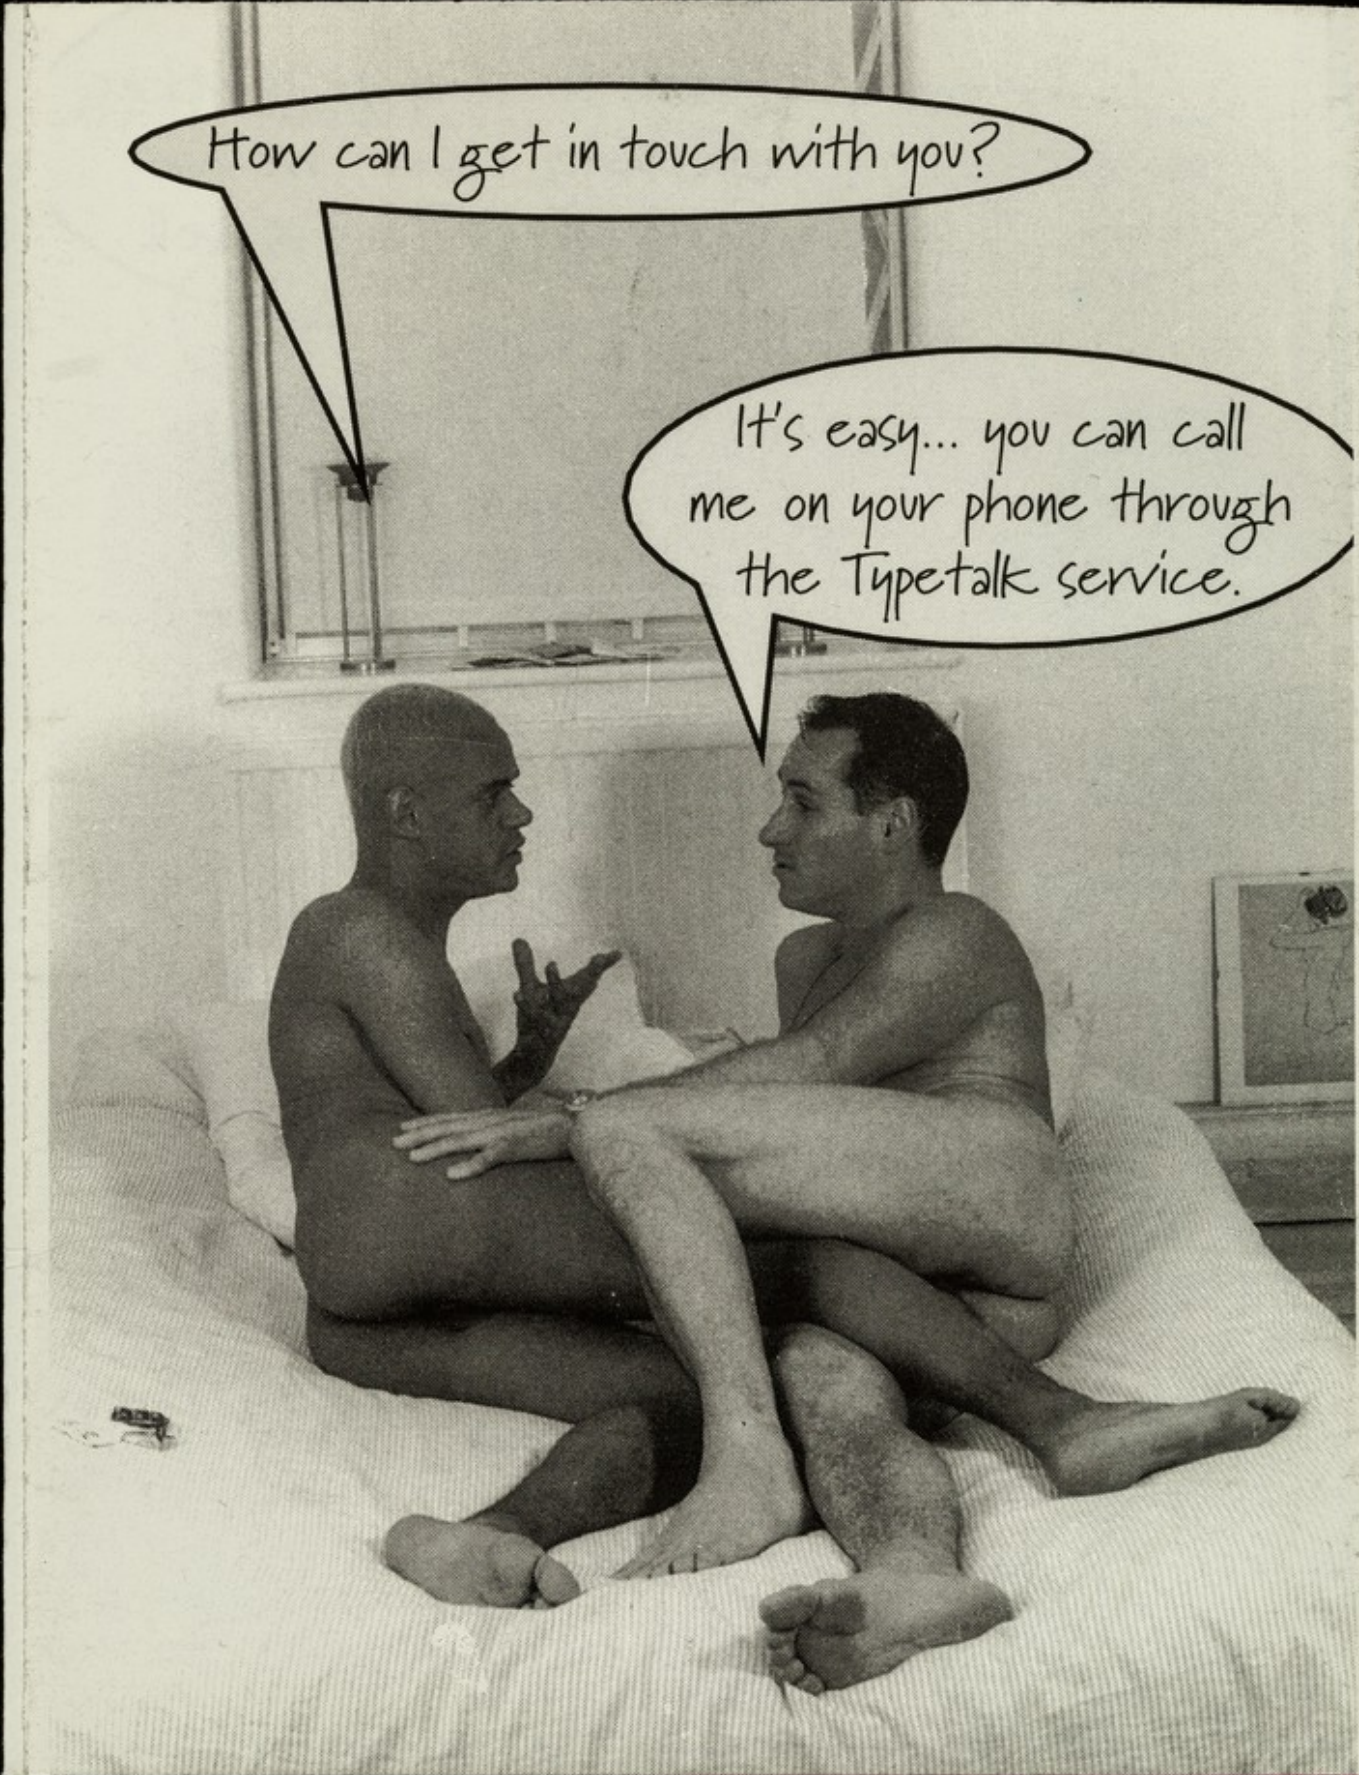

Sounds good! Got any condoms & lube?!

back at the flat...

I'm glad we sorted out the condoms beforehand - I don't really want to lipread when I'm doing this!

How can I get in touch with you?

It's easy... you can call me on your phone through the Typetalk service.

For the safest fucking use only the strongest condoms and lots of water-based lube. Don't take chances with weaker condoms or oily lubes that rot the rubber.

*To use Typetalk call **0800 515 152** and ask for the number of the person you want to contact. The first time you call you will be asked some details by the operator. However calls are charged at standard BT rate.*
