Dear Stephen

Please find enclosed the latest copy of AVERT's newsheet, 'AVERTing AIDS and HIV', the information sheet designed to keep donors and supporters up to date with AVERT's work.

The last year has been extremely successful for AVERT. We have remained committed to providing people with the information that they need and have also been able to develop new initiatives such as the Postgraduate Studentship scheme featured in the newsletter.

We thoroughly appreciate the help that you have given us in the past and hope that you will consider supporting us once again in the near future. We particularly need people who can provide regular support as it enables us to plan ahead and be more efficient in our work.

Please help us to continue 'AVERTing AIDS and HIV'.

Yours sincerely
