AIDS: THE SECONDARY SCENE

**A Guide to Issues, Approaches and
Resources**

by

Stephen Clift & David Stears

AIDS: The Secondary Scene is a comprehensive guide to HIV/AIDS education in secondary schools for classroom teachers, health education co-ordinators, health education officers, and others concerned with the teaching of AIDS in secondary schools.

The book includes guidance on the development of HIV/AIDS education across the curriculum, a guide to legal issues, an update on facts and figures, summaries of research into young peoples' knowledge and behaviour, a discussion of practical issues involved in working with young people and a detailed resources guide.

Stephen Clift is Senior Lecturer in The Centre for Health Education Research at Christ Church College Canterbury, and is the author of a number of research articles and reports on young people's responses to AIDS. David Stears is the Director of The Centre for Health Education Research and has been involved nationally with the development of initial and in-service health education training for teachers.

Developed over the last two years **AIDS: The Secondary Scene** is available from:
