NEWSLETTER - NEWSLETTER

TO ALL READERS

As you are aware in order to survive Body Positive has had to cut back some services including the frequency of the Body Positive newsletter. Despite this the newsletter still costs nearly £30,000 a year and we receive very few grants to help us produce it.

WE NEED YOUR HELP!

- Postage alone costs more than £5 a year per person
- If every reader gave £10 a year this, along with the subscriptions from organisations, would secure the future of the newsletter.
- A £15 donation from every reader would probably enable us to go back to a fortnightly publication next year.
- We know that some people can afford to give more than others. You will continue to receive this newsletter for free, if you request it (see overleaf). We do ask you to give as generously as you can to maintain this service.
- We are asking all readers to fill in and return the coupon overleaf by 31st December 1991 if you wish to continue to receive the Newsletter.
