**Your support would be marvellous**

**Step 1**

**Register today.** Complete and return the attached card, indicating clearly in which city you'd like to walk. Your sponsors form, route map and other information will be sent to you by post.

**Step 2**

**Get sponsors.** Sign up as many sponsors as possible. Ask your friends, family and colleagues to sponsor you per kilometre. Set yourself a goal and try to raise as much money as you can. Please try to get sponsors to give you their money in advance and bring it with you on the day.

**Step 3**

**Walk on 10th October 1993 in the city of your choice.** Please arrive by 11.00am to register for the 10 kilometre walk. **The walk will begin at 12.00 noon.**

**Step 4**

**Collect your sponsorship.** By collecting your sponsorship before the walk you will be saving effort, overheads and provide urgently needed funds. Please try to deliver all your sponsorship money in advance. With your help we can ensure that this year's walk will be one of the biggest events for Aids relief and awareness in the U.K. We hope to involve many thousands of people walking together in a massive display of support to make an important commitment to eradicate Aids.

Proceeds from the walk are dedicated to making sure that people with Aids can live a full and rewarding life in the community. All the money raised in London is pledged to the CRUSAID Individual Hardship Fund which operates countrywide, offering immediate relief to those people suffering financial hardship as a result of Aids. The bulk of the money raised in other cities goes to local Aids charities, with the Individual Hardship Fund getting the balance.
