# *With Best Wishes*

*London Lighthouse wishes you a very happy 1993*

*With your help during 1992, we have raised more than £562,000 towards the cost of helping people affected by HIV and AIDS to live their lives to the full. In the past year 447 people have benefitted from our residential nursing services. Up to 2,000 men, women and children now visit our centre each week.*

*Our fundraising target for 1993 is £4.3m. Although a proportion of this is funded by statutory sources, we still need to raise £750,000. This will allow us to continue providing a very full range of services to assist people with HIV and AIDS to live well. We rely on your continued generosity to maintain and develop our services, as the numbers of people using them grows.*

*Thank you for all your efforts to help us in 1992 – and for your continuing support in 1993.*
