Note: The Leaflets in Price Band 3 are "special" localised editions of standard leaflets. You supply the local information you want put in panels to replace standard editions' GU and DDU clinics listings. We get that set and printed and you get your own leaflet.

We quote only four quantities here because in quantities of less than 1000 we reckon it's prohibitively expensive. But we can quote for any quantity you'd like printed. Just dial 01-968 8909 and ask us for details. phone us.

TO ORDER: FILL IN THE FORM OVER THE PAGE

Ordering's easy. All you need is this order form with its price list on the front of it. All the materials on offer are listed here with the price band they belong in. Look up the unit cost in the relevant price band column on the price list. Next to it you find the postage and packing charge for that quantity under the heading "Delivery Charge".

Multiply the unit cost by the quantity you're ordering. That's what the materials you want will cost. Write the result of your multiplication in the "Total for Item" column on the order form. Write the "Delivery Charge" in the column on the far right of the form.

Here's an example. Let's say you want to order 125 copies of HIV, You and the Law. It's in Price Band 1. The unit cost in the price band for 125 copies is £00.15. Postage and packing is £03.40. Multiply 125 - the quantity you want - by the unit cost - 00.15. The answer is £18.75. Write that under "Total for Item" on the order form. Write £03.40 under "Delivery Charge". Your order for this item will cost £22.15 (£18.75 + £03.40)

Go on like this ordering each item you want. Putting each item under "Total for Item" and the postage and packing charge under "Delivery Charge". Total the two columns at the bottom of the form. Add them together. Write the result of that against ORDER TOTAL - and that's the cost of your order.
