WANDSWORTH OASIS
AIDS CARE CENTRE

WOMEN

Leaflet No. 3 of a series

Do you feel isolated?

Oasis could mean someone to talk to, with help and advice for you, on HIV and AIDS and how it is affecting your life.

The OASIS drop-in centre offers voluntary care and support, for women, by women. We are open on Wednesdays 6-9pm and Fridays 1-9pm.

Counselling

Confidential counselling is available, and other help can be given in practical ways, support is also offered to those unable to visit the centre.

Activities

Workshops on aromatherapy, relaxation and massage techniques, will take place at the centre. OASIS also has its own gymnasium which is run by trained volunteers, which is available to everyone during opening hours.

Children are also welcome, a creche facility is available.

No names are required, there is no membership for OASIS, you may come and go as often as you like, and no intrusive questions are ever asked.

Telephone

You can contact us by telephone. During the opening hours of the centre you may speak with someone in confidence, or at any other times you may leave a message and we will contact you as soon as possible. All messages will be dealt with confidentially.

About the Centre

The Salvation Army in Wandsworth, of which we are an integral part, allow us the use of all their facilities, and the local congregation fully supports our work. The centre is run by a voluntary team consisting of a Secretary, Chaplain, Administrator, Editor and others, some of whom could be HIV.

OASIS opened in 1989 to care specifically for people living with HIV and AIDS, here in the Wandsworth area. Our work is continually growing. Many generous people donate money and equipment to maintain and expand the work, and you are welcome to do likewise!

OASIS publishes a regular newsletter, "Dispatches". Your name can be added to our mailing list, if you wish.

An oasis is a place to which people resort on a journey. An oasis provides refreshment, peace and rest. It can also provide friendship and support.
