Dear Colleague

Grants and Homecare for people with AIDS

In our first four months we have already provided practical home care, equipment or grants to 35 people with AIDS, mainly in the London area.

We are here to be an added resource for you. Our home care area is currently within the M25 boundary but will be extending over the next few months to cover Scotland, the south coast and other parts of the UK. Grants are available now to all areas.

You can make a referral by telephone 9am - 5pm Monday to Friday. Further information is enclosed. Please can you display or circulate as appropriate. Further copies are available on request.

Looking forward to hearing from you.

Yours sincerely
