***Got something
to say?***

Want to say it?

***We want to
hear from you.***

The London Borough of Hackney is currently conducting a four month Need Assessment, funded by the Department of Health, into the HIV Health Promotion needs of gay and bisexual men and men who have sex with men living or working within Hackney.

We are seeking participants who have got a couple of hours to spare, and don't mind answering some personal questions regarding HIV/AIDS, to take part in the Need Assessment. In return we offer all who subsequently take part a £10 fee to cover expenses.

All information provided will be treated in confidence.

We particularly welcome enquiries from black gay men, gay men from ethnic minority communities, gay men aged 24 and under and gay men aged 50 and over, as well as gay men who are living with HIV/AIDS.

For further information, please contact us on 081 533 0297.
