HIV counselling for African people

Are you HIV positive or affected by HIV?
Do you have difficulties making sense
of what is happening to you or someone
close to you? Would you like to talk to
someone, but don't know who?

Our free and confidential counselling service can help you to talk through what is going on for you, how you feel about it and what you can do about it.

Our counselling service acknowledges the importance of talking to someone who understands traditional African cultural values and experiences.

To make an appointment call
