Red Ribbon is a
Registered Charity
No. 1014911

Far from being limited to specific sectors of society, **anyone** can contract HIV – the virus that leads to AIDS. As many as **8,500 people** each day are diagnosed as having the disease, and over 50% of those are women and children.

Yet, incredibly, many people still believe it's no threat to them. That's why the ongoing process of educating, informing and increasing awareness is as vital as ever. **And that's what Red Ribbon International is all about.**

As experts on HIV and AIDS educational issues, the charity is dedicated to fighting the ignorance of this terrible disease, and so helping to prevent its continued spread.

Now there's a way you can support their invaluable work, and it won't even cost you a penny extra... in fact, it could actually **save you money**. It's called the Red Ribbon Visa Card.

The Red Ribbon Visa Card is one way that people who care can help. To introduce the card, we've chosen to work with MBNA International Bank Ltd, part of the MBNA Corporation, one of the world's largest bank card lenders with over 30 million customers worldwide.

This chart indicates interest savings the Customer could make over six months by transferring a balance to an MBNA account at the promotional rate of **9.9% APR**. It is assumed that the average balance remains constant over six months and that the minimum payment is made each month. All figures are for illustration purposes only and assume that repayment is not made by Direct Debit. Other than MBNA, APRs shown assume the Customer is not in an initial or other promotional period. Different cards have different bases on and dates from which interest is calculated. The APRs shown in the table are, where appropriate, fee inclusive and are based on a credit limit of £1,000. For full details of MBNA interest rates and payment requirements, see the attached terms and conditions. Credit is available subject to status, only to UK residents aged 18 or over. A written quotation is available on request. All competitive rates were correct as at 9/10/98.

No Extra Cost To You

When you receive your card, MBNA donates £1 to Red Ribbon International, and while the account is active, a further £3 every year. Also, every time you make a purchase using your card Red Ribbon International receives 0.15% of the value. So whenever you spend, you give. At absolutely no extra cost to you.

How You Benefit Too

As well as supporting Red Ribbon International's excellent work, the card also has valuable financial benefits for you. With **no annual fee**, up to **£15,000 credit limit** and a low **9.9% APR** for balance transfers and a competitive **19.9% APR** (variable) for purchases, it's one of the best value cards around.

Together we can all make a difference

If 375 people take out a card, Red Ribbon International can raise in excess of £10,000 over the next 5 years.* Essential funds which can help us win the fight against the spread of AIDS. So apply for your card today - together we can make a difference.

Your Gold Card Option

If you earn £20,000 or more a year, you may prefer the extra privileges of the Red Ribbon Visa Gold Card, which include a higher credit limit. To apply, simply tick the appropriate box on the application form.

*Assuming each card holder spends at least £2,000 per year.

Terms & Conditions

IMPORTANT - YOU SHOULD READ THIS CAREFULLY YOUR RIGHTS

The Consumer Credit Act 1974 covers this Agreement and lays down certain requirements for your protection which must be satisfied when the Agreement is made. If they are not, the Bank cannot enforce the Agreement against you without a court order.

If you have obtained unsatisfactory goods or services under a transaction financed by this Agreement, apart from any purchased out of a cash loan, you may have a right to sue the supplier, the Bank or both. Similarly, if the contract is not fulfilled, perhaps because the supplier has gone out of business, you may still be able to sue the Bank.

If you would like to know more about the protection and remedies provided under the Act, you should contact either your local Trading Standards Department or your nearest Citizens Advice Bureau.

If the credit card is lost, stolen or misused by someone who obtained it without your consent, you may be liable for up to £50 of any loss to the Bank. 3. TELEPHONE CALLS

We may record and/or monitor telephone calls made between us and any Cardholder or other person.

4. CARE OF THE CARD

You must make reasonable efforts to ensure that each Cardholder:

- signs the Card issued for his/her use immediately after receiving it;
- never allows another person to use the Card, Card number, Cheques or PIN provided or approved for his/her use;
- keeps the Card and Cheques safe and the Card number and PIN secret;

- complies with any reasonable instructions that we may give about the use and safekeeping of the Card, Card number, Cheques or PIN.

5. USE

- The Card, Card number, Cheques and PIN must not be used:
 - outside the validity period shown on the Card; or
 - in a way that would result in the Account balance exceeding the credit limit.
- We may return a Cheque unpaid or refuse to authorise a Transaction if:
 - the amount would or might result in the Account balance exceeding the credit limit;
 - (in the case of refusing to authorise a Transaction) the relevant telephone, computer, link or system is busy; or
 - we reasonably believe that this action is necessary or desirable to enable us to comply with any requirement of the Payment System, law or good practice in the United Kingdom or elsewhere.
- When we decide whether an amount would or might result in the Account balance exceeding the credit limit, we may take into account the amount of:
 - any Transaction made;
 - any interest and other charges due; and
 - any authorisation given for a prospective Transaction, even if the amount is not yet debited.
- A Retail Transaction or Cash Transaction cannot be stopped after it has been made.
- Cheques may only be drawn in sterling. The Account cannot be used to pay any amount owed to us.
- We will from time to time, for as long as this Agreement continues:
 - renew a Card when it expires;
 - if you ask, replace a damaged Card;
 - provide further Cheques; and
 - replace a Card and/or change the Card number and/or change the PIN, if we reasonably believe that the Card, Card number or PIN (as the case may be) is likely to be misused and that the replacement will not be misused, except as mentioned in condition 17.2(b).
- We may issue a different type of Card from that requested, or replace a Card with a different type of Card (including a Card which operates under a different Payment System), if:
 - you ask for a different type of Card which can be issued under this Agreement;
 - you are not eligible for the type of Card that has been requested or issued; or
 - an organisation endorses the type of Card that has been issued, and our arrangements with that organisation have ended or are about to end, except as mentioned in condition 17.2(b).
- Cards and Cheques are our property.

6. DEBITS, CREDITS

- We will debit to the Account the amount of:
 - any Transaction, after the Payment System has notified us of it;
 - any interest due under this Agreement, on the statement date; and
 - any other charge due under this Agreement, on the date that it becomes due.
- If a Retail Transaction or Cash Transaction is made in a currency other than sterling, the amount will be converted and debited to the Account in sterling. The sterling amount will be calculated by applying the exchange rate and commission. The exchange rate will be the wholesale market rate or the government mandated rate which the Payment System charges to us. The exchange commission will be 2.75%. Exchange rates may fluctuate, and the exchange rate when the Transaction is made may differ from the exchange rate used for conversion. The exchange rate shown on the statement will have been adjusted to take into account the commission.
- We will credit the amount of a refund for a Transaction after we have received satisfactory evidence that the refund is due.

7. STATEMENTS

- We will send to you one statement for each statement period in which there is a debit, credit or outstanding balance on the Account. We will normally send the statement within three working days after the statement date.
- You must check all statements. If any item in a statement seems wrong, you must notify us of this in writing as soon as you can.

8. CREDIT LIMIT, MINIMUM PAYMENT, INTEREST AND OTHER CHARGES

- We will from time to time choose the credit limit and notify you of this.
- We will choose the first statement date. Later statement dates will fall approximately one month apart. If you ask, we may change the statement date.
- Within 28 days after the relevant statement date, you must make either the minimum payment shown on the statement or any larger payment chosen by you, unless we allow a payment holiday under condition 9.4. The minimum payment shown on the statement will be the greater of:
 - 2% of the Account balance as shown on the statement; or
 - £5, or the Account balance as shown on the statement if less than £5;
 except as mentioned in conditions 9.4, 10.5 and 10.6.
- We will charge interest on the outstanding amount of:
 - any Retail Transaction at 1.53% monthly, except as mentioned in condition 9.1;
 - any Cash Advance:
 - if made during the period of six months starting on the date of opening the Account, at 0.79% monthly during that period, and then at 1.53% monthly; and
 - in any other case, at 1.53% monthly; and
 - any charge under condition 14.1 at 1.53% monthly.
- We will charge a handling charge for a Cash Transaction of 1.5%, minimum £1.50, maximum £25.
- This table shows how the APR depends on the type of Transaction, when interest is charged, and the credit limit:

	Cash Advances				
	Retail Transaction at any time	Cheque Transaction first six months	Cheque Transaction after six months	Cash Transaction first six months (including handling charge)	Cash Transaction after six months (including handling charge)
Credit limit	APR	APR	APR	APR	APR
£1,000	19.9%	9.9%	19.9%	11.6%	21.8%
£3,000	19.9%	9.9%	19.9%	10.9%	21.0%
£5,000	19.9%	9.9%	19.9%	10.5%	20.6%

- The APR does not take into account any of the following alterations. We may from time to time:
 - alter the interest rate on any item by notice published in at least three national daily newspapers; and
 - alter the interest rate on any item, after any charge under this Agreement, and after the basis on which any interest is charged or any charge under this Agreement is made, by such notice in writing to you as is required by law, except as mentioned in condition 8.11. Where this is required by law, we will at the earliest opportunity inform you of a valid reason for altering any charge.
- We may at any time reduce the interest rate on any item incurred during a promotional period by notice under condition 8.8(b). If we do this, we will charge interest on the outstanding amount of the item at the reduced rate during the promotional period, and then at the normal rate applying to the item. We may not remind you that the promotional period or reduced rate is about to end.
- We will charge interest on the outstanding amount of:
 - any handling charge at the rate then applying to the relevant Cash Transaction; and
 - any interest at the rate then applying to the relevant Transaction or charge.
- For the period of six months starting on the date of opening the Account, we will not increase the interest rate on any Cash Advance or on any handling charge.

9. INTEREST CALCULATION

- We will not charge interest on the outstanding amount of a Retail Transaction shown on the latest statement if the whole Account balances as shown on the previous and latest statements are paid within 28 days after the relevant statement date.
- We will charge interest on the outstanding amount of:
 - a Retail Transaction (except as mentioned in condition 9.1), any Cash Transaction and handling charges, starting on the Transaction date and ending on the date of full payment; and
 - a Cheque Transaction, charge under condition 14.1 and interest, starting on the date when the amount is first debited to the Account, and ending on the date of full payment.
- We will charge interest on a daily basis both before and after any judgement.
- We may at any time allow you to omit all or part of a minimum payment during the payment holiday specified in a notice under condition 15. If we do this, we will charge interest as if no payment holiday had been allowed, and we will not extend the period within which payment must be made in order to avoid interest on Retail Transactions.

10. PAYMENTS

- You will be personally liable to pay us the amount of all Transactions and all interest and other charges due under this Agreement (except as mentioned in condition 11.3), even if:
 - the Account balance exceeds the credit limit;
 - the Card, Card number, Cheque or PIN is used in a way that is not authorised by this Agreement; or
 - production, dispatch or delivery of the statement is prevented or delayed.
- Any payment to us will take effect when credited to the Account.
- Any amount credited to the Account will be applied in this order:
 - the premium for optional Payment Protection Cover; charges under condition 14.1;
 - interest on Cash Advances or on handling charges;
 - interest on Retail Transactions or on charges under condition 14.1;
 - handling charges; Cash Advances shown on any statement;
 - Retail Transactions shown on any statement;
 - Cash Advances not yet shown on any statement; and
 - Retail Transactions not yet shown on any statement.
- You must not withhold or set off payment under this Agreement because of any dispute between a Cardholder and another person about a Transaction, unless you have a legal right to do this.
- You must pay us immediately:
 - any amount by which the Account balance exceeds the credit limit;
 - the amount of any Transaction made in breach of this Agreement; and
 - the amount of any arrears under this Agreement.
- All amounts outstanding under this Agreement will be payable on demand if:
