Buenos Aires, 7th December 1992.

Dear friends,

I am writing to let you know the latest news on the "IX International Conference on AIDS" and "IV World Congress of STD", according to the guidelines established at the end of November, at the last meeting of the International Steering Committee.

I want to thank all of you and let you know how much we appreciate your responses and the proposals that were sent to us. With regard to the Conference, there will be in the morning **Plenary Sessions** with a member of lectures of 30 minutes each one, with simultaneous translation. In the afternoon there will workshops, with 5 or 6 presentations of 10 minutes each and 5 minutes discussion after each presentation. Each workshop will be of 90 minutes. There will be 9 workshops working at once.

There will also be **poster display** at midday and during the afternoon.

For Workshops and Poster Sessions, abstracts of the proposals must be submitted before January 15, 1993 to the Headquarters of the Conference in Berlin. It is very important to send the chance of getting scholarships for free registration and/or coverage of travel and lodging expenses.

To date there are 600 scholarships for free registrations to be granted through the "NGO Liasson Committee" at the Deutsche AIDS Hilfe in Berlin.

I enclose the form to submit the abstracts as well as a list of the key words.

The AIDS's Women Caucus, we are planning to hold a **Satellite Meeting** on June 6; we shall inform you as soon as we have further details, and we are also programming a "**Conclusions Meeting**" the evening of the 10 June.

If you have any questions please don't hesitate to contact us, either by letter, fax or telephone.

We will write you at the beginning of 1993 when we have more information. In the meantime, all our regards and our sincere wishes that 1993 will be the year to make a real breakthrough in overcoming this pandemic.
