Invitation to a Meeting on
'EARLY MEDICAL INTERVENTION IN HUMAN IMMUNODEFICIENCY
VIRUS INFECTION'

Dear Colleague,

An important meeting on the above will be held in the Royal College of Physicians of Ireland on November 30th, 1990. I am enclosing a copy of the programme for your information.

I have pleasure in inviting you to attend.

Dr. Robert Gallo and a veritable galaxy of world experts on AIDS have agreed to participate, and I am sure it will be a most informative and interesting meeting.

There is no registration fee and lunch will be provided for those attending by the sponsors of the meeting, ICN Pharmaceuticals.

I do hope that you will be able to join us.

Kind regards.

Yours sincerely,

A handwritten signature in dark ink, reading 'Ciaran Barry'. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
