Community Medicine Symposium on HIV Infection

Organised by:

The Faculty of Community Medicine

The British Association of Community Physicians

The PHLS Communicable Disease Surveillance Centre

At Colindale, London on Wednesday September 9th 1987

The main topics of the meeting will include general and paediatric epidemiology of HIV, service provision and planning and other relevant public health aspects.

There will be lectures by eminent scientists as well as free communications and a poster session.

Invited speakers include:

Gwendoline Scott MD, Paediatric Epidemiologist, Centers for Disease Control, Atlanta USA.

Jean-Baptiste Brunet MD, Director, WHO Collaborating Centre on AIDS, Paris.

Free communications and poster session abstracts should be sent before August 1st to:

Dr M McEvoy, PHLS Communicable Disease Surveillance Centre 61 Colindale Avenue, London NW9 5EQ (tel: 01-200 6868 x4462)

**Registration Fee**

The fee of £40 includes abstract book, lunch, tea, and coffee.

**Attendance** will be limited to 150 participants

**Conference Site** Central Public Health Laboratory, Lecture Suite, Colindale Avenue, London NW9

Further details and registration forms from Dr McEvoy.
