## HIV & AIDS CONFERENCE 1992

*Imperial College 31 July - 1 August  
1992*

THT

The enclosed brochure contains details of the forthcoming conference on HIV and AIDS which is being organised by the Terrence Higgins Trust.

I hope that you will find the information of interest. As you will see we are seeking suggestions for inclusion in the programme before finalising it. By doing this we are aiming to offer an opportunity for everyone to come and debate issues which are of direct interest. We hope that this will enable you to come and discuss relevant issues, exchange ideas and learn from people with similar areas of interest and to enjoy meeting them.

If you cannot attend the conference then perhaps you would forward the programme to a colleague who may wish to come. If there is anyone you know who has not received a brochure, but who may be interested in coming to the conference, then please let me know (or ask them to) and I will send them a copy of the brochure.

A detailed programme will be issued nearer the time of the conference once registration forms, and suggestions for inclusion in the programme, have been received.

Registration forms should be returned by 31 March, at the latest, as places booked after this may be subject to an increased fee.

If you would like any further details then please get in touch.

William G Connon  
Conference Organiser.
