FUTURE MEETINGS (Please note change of room)

HIV POSITIVE THROUGH NHS TREATMENT: WHAT FUTURE?

NHS Blood Transfusion, Blood Product & Organ Recipients who contracted HIV through NHS Treatment. The question of whether ex-gratia payments made to HIV positive haemophiliacs should be extended to include the above group will be debated at this meeting.

Tuesday 11th June 1991, 4.30-6.00 pm, in the Committee Room 16, House of Commons, Palace of Westminster.

Speakers will include:

Mr David Watters, General Secretary of The Haemophilia Society.

Mr Tony Mallin, Solicitor representing people who have contracted HIV through NHS treatment, and a member of the steering group on action for haemophiliacs.

Mr J.P.W.Cartwright, Centre for Medical Law and Ethics, Kings College, University of London. Department of Philosophy, University of Essex.

ALTERNATIVE & COMPLEMENTARY TREATMENTS FOR HIV/AIDS

Tuesday 2nd July 1991 4.30-6.00pm in the Committee Room 16, House of Commons, Palace of Westminster.

Speakers at this joint meeting of the APPGA & The Parliamentary Group for Alternative & Complementary Medicine will be:-

Leon Chaitow, D.O.N.D., Editor, Journal of Alternative & Complementary Medicine and co-author of 'World Without AIDS' (Thorsons 1988) will present a brief introductory overview.

Dr Joseph Pizzorno, President, Bastyr College of Natural Sciences in Washington State, USA, a federally accredited college of further education at which the HARP, Healing AIDS Research Project, was carried out.

.../...

Dr Kai Kermani, M.D. Dr Kermani practices autogenic training as part of a holistic approach to health and disease. He has been invited to run such courses abroad and has recently addressed an HIV/AIDS conference in Brussels organised by the European Parliament.

AND

Dr Anthony Pinching, MD, Reader in Clinical Immunology, Department of Immunology, St. Mary's Hospital, London. Dr Pinching is involved in the care of several hundred AIDS patients and in basic clinical research on AIDS and other immunological disorders.

Panel:- Nick Partridge, Deputy Chief Executive, Terrence Higgins Trust
Dr Simon Mansfield, Medical Director of the London Lighthouse and Community Consultant, St. Stephen's Westminster Hospital, London.

HIV/AIDS AND PRISONS

THE MANAGEMENT OF HIV/AIDS IN PRISONS

Tuesday 16th July 1991, 4.30-6.00 pm in Committee Room 16, House of Commons, Palace of Westminster.

Speakers:

His Honour Judge Stephen Tumim, Her Majesty's Chief Inspector of Prisons at the Home Office and co-author of Her Majesty's Report of an Inquiry into Prison Disturbances, April 1990.

Una Padel, Assistant Director of SCODA (Standing Conference on Drug Abuse) and Senior Project Officer on the HIV/AIDS and Drug Misusing Offenders Project. This project aims to develop a method of providing HIV education and information to prison staff and prisoners.

Paul Turnball, Centre for Research on Drugs & Health Behaviour, Department of Psychiatry, Charing Cross and Westminster Medical School. He has recently completed a research project conducted into HIV & AIDS in Prison.
