WORLD AIDS DAY

Monday 1st December 1997

HIV & AIDS affects men, women and children.
In Lothian:

- Latest figures are 1201 people living with HIV, 405 with AIDS
- Since March, on average, one gay man has been diagnosed positive each week
- In the last five years, one in four new infections have been heterosexual men or women
- It is estimated that over 500 children are affected by HIV
