What does **TAKING CARE WITH SEX** mean for you?

- ☐ Choosing not to have a sexual relationship?
- ☐ Choosing not to have intercourse?
- ☐ Using condoms to reduce the risk if you do have intercourse?
- ☐ Being faithful to a faithful partner?

It's time to **TAKE CARE**

- ☒ Decide now what taking care means for you, and remember - if your life changes - a new relationship begins or your present one ends, then it's time to work out again what taking care means for you.

AIDS CONCERNS US ALL

RED RIBBON INTERNATIONAL

The Red Ribbon Project aims to show your commitment to the fight against AIDS. The ribbon demonstrates compassion for people with AIDS, their friends, family and carers and support for education and research leading to effective treatments, a vaccine or a cure.
