nam

**free treatment
information for people
with HIV & AIDS**

aids treatment update

free monthly newsletter

Every month AIDS Treatment Update will keep you up to date with the latest developments in HIV treatment. Issues regularly covered include:

- starting and changing treatment
- dealing with side effects
- medical monitoring
- feedback from major conferences

Plus a one page Factsheet providing basic information on key treatment topics.

free information booklets

**This series provides plain
English information on key
treatment topics:**

- Viral Load
- Nutrition
- Clinical Trials
- Anti-HIV Drugs
- Resistance
- Glossary
- Lipodystrophy

complementary therapy guide

**Free Directory of
Complementary Therapies
in HIV and AIDS**

This new directory from NAM is a comprehensive guide to the use of complementary therapies by people living with HIV and AIDS.

NAM information forums

Visit our website for instant access to:

- downloadable treatment information & a fully searchable treatments database
- the wheel, your personal pill planner
- the latest news on developments in HIV treatment and prevention
- complete list of sexual health clinics in the UK

These are meetings held monthly in the evening at a central London location, which offer the opportunity to hear the latest news, views and research around HIV treatments.

For further details call NAM on 020 7627 3200.
