DON'T WORRY ABOUT WHAT YOU'LL PICK UP AT WORK.

None of these will give you HIV, the virus that leads to AIDS. HIV is transmitted by unprotected sexual intercourse or sharing injecting equipment with a person who has the virus and from an infected mother to her unborn baby.

FOR FURTHER INFORMATION AND ADVICE CALL THE 24-HOUR NATIONAL AIDS HELPLINE FREE OF CHARGE 0800 567 123.

Poster entitled: **Don't worry about what you'll pick up at work.**
Produced by the Health Education Authority, United Kingdom, 1988.
This is one of over 700 posters held in the Centre for Sexual and Reproductive Health collection
in the Library & Archives Service at the London School of Hygiene & Tropical Medicine.

LONDON
SCHOOL of
HYGIENE
& TROPICAL
MEDICINE

Our Archives preserve and make accessible manuscript material, personal papers, photographs and artefacts relating to the history of tropical medicine and public health since the mid-nineteenth century.
