BOARD OF FIRE COMMISSIONERS,
Cleveland, O., March 12, 1886.

To the Board of Fire Commissioners, New York City.

Gentlemen:—We are now using Continental Ointment
manufactured by the American Lubricating Oil Co., Cleveland,
O., and take great pleasure in recommending its use by all fire-
men; its healing properties are truly wonderful.

I have seen it used on sores, cuts, and ghastly burns, with
magical results. It keeps our horses' hoofs soft and growing, in
fact it is the best healing agent I have ever heard of, and hope
you will give it a trial.
