PER 1/- BOX

---

At night apply the Paste rather thickly on the affected part ONLY. You must not rub it in. Then bind it up with a strip of linen to prevent it from shifting and spreading on to the skin. Keep this on in the daytime as well. Repeat nightly as long as necessary. Should a little tenderness arise stop treatment until it disappears then continue as before.

Send us 1/1½ and we shall immediately forward you a box post paid to any part of the world.
