ST. JACOBS OIL

CONQUERS PAIN

Success & Popularity.

Perhaps there is no preparation in the world which enjoys the same degree of success and popularity as St. Jacobs Oil. Its sale far exceeds that of any other Proprietary Medicine, and exceeds by ten times that of all other liniments and embrocations combined. This wonderful success rests on the solid foundation of merit which St. Jacobs Oil possesses, combined with original, dignified, and systematic advertising, which have always characterised the announcements of the Proprietors. The name "St. Jacobs Oil," has become a household word in every civilised country in the world. The great success and popularity of the Oil has become the subject of comment by almost the entire Press of the country. In many instances the leading articles of large and influential papers have been devoted to the details of what seemed to be almost magical cures effected by the use of St. Jacobs Oil in local cases, coming under the immediate attention of the publishers. St. Jacobs Oil is endorsed by statesmen, judges, the clergy, the medical profession, and people in every walk of life. For Rheumatism, Neuralgia and kindred painful ailments the application of St. Jacobs Oil acts like magic. The terrible pain which invariably accompanies these diseases yields readily to this famous remedy.
