SANTA BARBARA MISSION, CALIFORNIA

The Santa Barbara Mission founded by the Franciscans in 1872 is an outgrowth of a Spanish Military Post. The building is well preserved and is probably the greatest single attraction at that city today. Today, in our modern times, it is the Franciscan headquarters of the Pacific Coast and adjoins the completely modern Franciscan College.

Stimulates Centrally Depressed Respiration and Circulation

CORAMINE*

Massive doses in emergencies administered with safety—low toxicity. For prolonged treatment as well as for emergencies. The original product—manufactured exclusively by Ciba.

*Trade Mark Reg. U. S. Pat. Off.
