## ***Papa Meilland***

This is the red rose we have all been awaiting —I have watched it these last few years. Admittedly my nose was the first to capitulate. The old rose fragrance that the older ones, like myself, remember—then glory be—much of the colour of Charles Mallerin —surely the most wondrous of reds. At least I know of none better and had it more vigour I would still be faithful to it. The alchemy of the hybridist has added vigour to the plants and petals to the flowers, resulting in a deep red rose of giant size and ample vigour. Available Autumn 1964.
