# DR. J. COLLIS BROWNE'S CHLORODYNE

**C**OUGHs.  
**C**OLDS.  
**A**STHMA.  
**B**RONCHITIS.

**DR. J. COLLIS BROWNE'S CHLORODYNE.**—Dr. J. C. BROWNE (late Army Medical Staff) DISCOVERED A REMEDY to denote which he coined the word CHLORODYNE. Dr. Browne is the SOLE INVENTOR, and, as the composition of Chlorodyne cannot possibly be discovered by Analysis (organic substances defying elimination), and since the formula has never been published, it is evident that any statement to the effect that a compound is identical with Dr. Browne's Chlorodyne must be false.

This Caution is necessary, as many persons deceive purchasers by false representations.

**DR. J. COLLIS BROWNE'S CHLORODYNE.**—Vice Chancellor Sir W. PAGE WOOD stated publicly in Court that Dr. J. COLLIS BROWNE was UNDOUBTEDLY the INVENTOR of CHLORODYNE, that the whole story of the defendant Freeman was deliberately untrue, and he regretted to say it had been sworn to.—*The Times*, July 13th, 1894.

**DIARRHŒA, DYSENTERY.**  
GENERAL BOARD OF HEALTH, London, REPORT that it ACTS as a CHARM, and is generally sufficient. Dr. GIBBON, Army Medical Staff, Calcutta, states: "2 DOSES COMPLETELY CURED ME OF DIARRHŒA."

From SYMES & Co., Pharmaceutical Chemists, Simla. Jan. 5, 1880.  
To J. T. DAVENPORT, London.

DEAR SIR,—We congratulate you upon the widespread reputation this justly-esteemed medicine has earned for itself all over the East. As a remedy of general utility, we much question whether a better is imported, and we shall be glad to hear of its finding a place in every Anglo-Indian home. The other brands, we are happy to say, are now relegated to the native bazaars, and, judging from their sale, we fancy their sojourn there will be but evanescent. We could multiply instances ad infinitum of the extraordinary efficacy of DR. COLLIS BROWNE'S CHLORODYNE in Diarrhœa and Dysentery, Spasms, Cramps, Neuralgia, the Vomiting of Pregnancy, and as a general sedative, that have occurred under our personal observation during many years. In Choleraic Diarrhœa, and even in the more terrible forms of Cholera itself, we have witnessed its surprisingly controlling power.

IS  
THE GREAT  
SPECIFIC  
FOR  
CHOLERA.

We have never used any other form of this medicine than Collis Browne's, from a firm conviction that it is decidedly the best, and also from a sense of duty we owe to the profession and the public, as we are of opinion that the substitution of any other than Collis Browne's is a deliberate breach of faith on the part of the chemist to prescribe and patient alike.—We are, Sir, faithfully yours, SYMES & CO., Members of the Pharm. Society of Great Britain, His Excellency the Viceroy's Chemists.

**DR. J. COLLIS BROWNE'S CHLORODYNE** IS THE TRUE PALLIATIVE in

NEURALGIA, GOUT, CANCER, TOOTHACHE, RHEUMATISM.

**DR. J. COLLIS BROWNE'S CHLORODYNE** is a liquid medicine which assuages PAIN of EVERY KIND, affords a calm, refreshing sleep WITHOUT HEADACHE, and INVIGORATES the nervous system when exhausted.

**DR. J. COLLIS BROWNE'S CHLORODYNE** rapidly cuts short all attacks of

EPILEPSY, SPASMS, COLIC, PALPITATION, HYSTERIA.

**IMPORTANT CAUTION.**—The IMMENSE SALE of this REMEDY has given rise to many UNSCRUPULOUS IMITATIONS. Be careful to observe Trade Mark. Of all Chemists. Is. 1qd., 2s. 9d., and 4s. 6d.
