Melvin's Vegetable Pills, Nerve Liniment, and Cough Syrup.

NEURALGIA and TOOTHACHE.—From the Treasurer of Boston University.

Boston, Nov. 24, 1880.

DR. J. MELVIN Co.: Melvin's Nerve Liniment has proved so valuable a remedy in the treatment of rheumatic and neuralgic affections in my family, that it has come to be regarded as a vital household necessity. We use it successfully for all sorts of pains, and have even found it a speedy relief in protracted cases of the toothache.

R. W. HUSTED.

DR. J. MELVIN: Dear Sir,—For over two years I have been laid up with Rheumatism, and have not been able to work, as I was just able to crawl round, and at times could not get out of the house. As a last resort I determined to try your medicines, and after using two bottles of your Liniment and one box of your Pills, I am able to walk without a cane, and I have not felt so well for two years; in fact, I feel like a new person, and am now going to work. If I can do anything for you I will do it with pleasure, as I consider my cure wonderful, and that I am under great obligations to you.

Yours truly,

WILLIAM SHAW,
No. 9 Bailey Street, South Lawrence, Mass.
