 (FOR INTERNAL USE)  
**ENSURE PURE BLOOD.**

**DO I NEED THEM?**

If you have Impurity of the Blood, Ulcers, Scrofulous Swellings, Scurvy or Sores, Yes! They enter the blood as a purifying antiseptic and disinfectant air, and therefore neutralise the blood poisons causing these diseases, and expel the germs out of the system.

If you have Eczema, Erysipelas, or other eruption or Skin Disease, Yes! They have a specific curative effect upon the skin, as they disinfect and free the inner pores and the tiny waste channels leading from the blood. They also control the irritating chemical principle discharged from disordered blood that causes Eczema and other painful eruptive complaints.

If you desire a good Complexion, Yes! Their use tends to the feeding, nourishment and good condition of the skin, which may be said to be the secret of a good complexion, by aiding and purifying the passage of nutrient supplies from the arteries to all the blood vessels near to the skin. And by gentle expulsive power they free the pores of the inner skin from all the matters which prevent the egress of waste elements.

If you have Constipation, Yes! They are a gentle, simple, safe and healthy laxative, as suitable for children (in smaller doses) as for adults.

If you have Hæmorrhoids, Yes! They relieve all congestions of venous and morbid blood at the affected parts, and afford marked relief.

If you have Rheumatism, Yes! Frazer's Sulphur Tablets control the decomposing and poisonous excess of acid which it frequently generates, in the first instance, by injurious changes in the blood. If you have Rheumatism or are liable to it, or catch a cold and fear you may have it, take "Frazer's Sulphur Tablets" at once; and if your liability to the complaint is chronic, we say take two Tablets per day all through the winter and spring, and for a shilling a week you may have greater freedom from pain than for years past.

**CHILDREN LIKE THEM.**

**PLEASANT TO THE TASTE.  
 POSITIVELY SAFE. OF GREAT EFFICACY.**

For the ailments of children "Frazer's Sulphur Tablets" are especially noteworthy, for they are pleasant alike to the eye and taste, and correct costiveness, allay feverishness, disperse inflammatory and eruptive matters, and purify the blood. For Eczema, Erysipelas, Chicken Pox, Nettle-rash, Sores, Ulcers and Eruptions, and Constipation, they will be found of the greatest service.

"Frazer's Sulphur Tablets" have become a standard preparation and one of the greatest successes on record. Hence they are imitated to an enormous extent, and a vast number of injurious Lozenges are sold on the reputation of "Frazer's Sulphur Tablets." In appearance the imitations are calculated to deceive, as they are coloured and doctored to look and taste like Frazer's.

Frazer's Sulphur Soap is the purest of all Soaps and absolutely the Best. It leaves the skin soft and smooth, and neither shrivels the hair nor nails. It is free from excess of all kinds, and contains no free alkali nor fat. It contains extra soft cream, which is especially beneficial and soothing to the skin. It is invaluable for the complexion and to those who desire a soft, smooth, supple skin, free from the blemishes caused by impure soaps.

Frazer's Sulphur Soap is to be preferred to all others in Eczema and in all other Eruptive Skin Diseases. We do not claim that it is curative, for no soap can be that; but it is emollient, and therefore soothing; it is antiseptic, and therefore tends to prevent the spreading of disease growths, or otherwise becoming worse; it is also deterrent of germ and parasitic life on the skin.

Frazer's Sulphur Soap may be either had Scented or Unscented. The Scented variety is delicately and beautifully perfumed.
