### NEW PACK

#### INTAL/INTAL CO SPINCAPS 100's

A survey has shown that the number of Spincaps of 'Intal'/'Intal' Co per prescription has now risen to an average of 100 Spincaps. To improve the convenience of dispensing such quantities, as from January 1st 1979 'Intal'/'Intal' Compound Spincaps will be available in packs of 100. The present 50's packs will still be available if required.

The new pack will consist of two tins each containing 50 Spincaps together with two packing leaflets. This means that if a prescription calls for 50 Spincaps then the pack can be split to dispense 50 Spincaps with a packing leaflet.

The 100's packs are immediately available either direct from Loughborough or from your wholesalers.

The price structure is as follows:—

Product	Product code no.	Fixed retail price each including VAT £	MBU doz.	Points value per MBU	Fixed trade price per doz. excluding VAT £	Retailers discount price per doz. excluding VAT £	Wholesalers discount price per doz. excluding VAT £	VAT rate %
