INVALID LADIES

THIS IS FOR YOU.

THERE are thousands of females in America who suffer untold miseries from chronic diseases common to their sex. This is due largely to the peculiar habits of life and fashion, and the improper training of girlhood. Then, too, the physical changes that mark the three eras of womanhood (the maiden, the wife and the mother) have much to do with their sufferings, most of which is endured in silence, unknown by even the family physician and most intimate friends. To all such whose hollow cheeks, pale faces, sunken eyes and feeble footsteps indicate nervous and general debility bordering on consumption, we would earnestly recommend that grand system-renovating tonic,

BURDOCK BLOOD BITTERS.

It makes pure, healthy blood, and regulates all the organs to a proper action, cures constipation, liver and kidney complaint, female weakness, nervous and general debility, and all the distressing miseries from which two-thirds of the women of America are suffering. *All Invalid Ladies* should send for our *Special Circular* addressed to *Ladies Only*, which treats on a subject of vital importance.
