OSTERMILK

a successful dried-milk food at
the price of grade-A milk **2/-**

PER 16-OZ. TIN (5½ PINTS)

No. 1; a fully humanised milk food, enriched with a measured supplement of vitamin D (200 international units per pint reconstituted) and iron (5 parts per million reconstituted)

No. 2; a food with the full fat and protein content of cow's milk, designed for the older infant. Vitamin D: 165 international units per pint reconstituted) and iron (5 parts per million reconstituted) are added.

OBSTETRIC TABLE

Find the date (on the line marked i) on which the last menstrual period began. The figure under it (on the line marked ii) is the approximate date on which the confinement may be expected.
