Ernest Petts.

Cuckoo-Pint (Arum maculatum)

The second in a series of herb paintings by Ernest Petts

TOPICAL THERAPY

Of Cuckow-pints, or Wake-Robin, hot and dry in the third degree, I know no great good they do inwardly taken, unless to play the rogue withal, or make sport: outwardly applied, they take off scurf, morpew, or freckles from the face, clear the skin, and ease the pains of gout.

The Complete Herbal by Nicholas Culpeper, M.D.
first published in 1653

Neobacrin is the reliable antibiotic ointment for skin infections.
