AMBLECOTE URBAN DISTRICT COUNCIL

Annual Report of the Medical Officer of Health  
for the Year ended December 31st 1959.

Mr. Chairman and Gentlemen,

I beg to submit to you the Annual Report for the year ended December 31st 1959.

The Vital Statistics show a Crude Death Rate of 13.6 per 1000 of the population as compared with 13.2 for 1958. The Live Birth Rate was 14.0 per 1000 of the population as compared with 12.9 for 1958. There were no Still Births. The Infantile Mortality Rate was Nil per 1000 live births.

Housing and Overcrowding are dealt with in the Report of the Public Health Inspector.

There has been no change in the Industrial Circumstances of your District since my last report.

AMBLECOTE URBAN DISTRICT COUNCIL

ANNUAL REPORT  
OF THE  
PUBLIC HEALTH INSPECTOR  
FOR THE YEAR 1959

-----

Mr. Chairman and Gentlemen,

I beg to submit to you my annual report for the year 1959 as follows:-

SANITARY ACCOMMODATION

Houses provided with Water Closets	967
Houses provided with Pan and Earth Closets	4
Houses provided with separate Water Closets	907
Houses provided with Water Closets in common	60

The houses that have Pan and Earth Closets are situated in parts of your district where sewer accommodation is neither available nor practicable.

REMOVAL OF HOUSEHOLD REFUSE

All houses are provided with suitable portable receptacles for the household ashes and refuse. It has not been found necessary to put into operation a scheme for the provision of Dust Bins by the Council. Notices requiring the replacement of worn out receptacles have been complied with and no proceedings have been necessary. Refuse Removal is carried out by direct labour, a weekly collection has been maintained. Disposal is by controlled tipping, at the tip in Withymoor. A Karrier Bantam Refuse Lorry is used and has proved both economical and satisfactory.

Salvage Salvage is not collected. Parcels of Paper can be left at the Council Offices or, if the quantity is sufficient, are called for by arrangement with the Chief Public Health Inspector, Brierley Hill.

## HOUSING

The housing situation still presents a problem. Four private houses were completed during the year and two houses were converted into four flats.

Tenders have been accepted for the erection of 12 Council flats for the rehousing of persons in unfit houses. Planning permission has been obtained for the erection of 12 Old Peoples Bungalows and a further application has been made to develop 12 acres of land for housing purposes in order to complete the rehousing of persons in unfit houses within the Urban District.

## HOUSING CONDITIONS

The houses and flats in your district may be classified as follows:-

Dwellings with one bedroom	4	}
Dwellings with two bedrooms	336	
Dwellings with three bedrooms	556	
Dwellings with more than three bedrooms	85	

A survey of the district showed that 68 properties may have to be demolished. The time in which this can be accomplished will depend on the availability of alternative accommodation for the persons displaced. The total number of dwellings provided by the Council is 251. 203 of them are traditional houses and 48 three storey flats. Post War building has been as follows, viz:- 80 houses and 48 flats.

No Repair Notices under the Housing Acts have been issued.

53 Informal and Statutory Notices within the provisions of the Public Health Act, 1936, were served in respect of miscellaneous defects at 42 houses. No proceedings at the Magistrates Court were necessary.

HOUSE PURCHASE & HOUSING ACT 1959  
IMPROVEMENT GRANTS & STANDARD GRANTS

Four applications were made for Standard Grants and one application for Discretionary Grant. A total of £569. 15s. Od. was paid in respect thereof. This is equal to approximately the product of a rate of 3d. in the £ per annum.

## RENT ACT 1957

No applications for certificates of disrepair were made.

Overcrowding. Although a number of houses are occupied by two families, there is no overcrowding if the Statutory Table is applied. As stated under the Heading General Statistics the average number of persons per house is 3.0. A majority of applications for Council Houses are from married sons and daughters residing with their parents who wish to have homes of their own.

## NOMADIC CARAVAN DWELLERS

As in the previous year, 1959 has been free from visitors.

## VERMINOUS PERSONS AND PREMISES

No premises have been found to be infested and no complaint of infestation had been received.

## WATER SUPPLY

All premises obtain a continuous and wholesome supply of water for drinking and domestic purposes from the mains of the Stourbridge and District Water Board of which Amblecote Council is one of the constituent authorities. It is pumped direct from Bore Holes at Wollaston Road and Mill Meadow, both of which are in your district. A further bore hole is situated in an adjoining area. Samples of water for Chemical and Bacteriological Examination are submitted at frequent intervals to Laboratories provided by the County Councils of Staffordshire and Worcestershire. The tests show a certain hardness but otherwise the water is of excellent quality for drinking and domestic purposes.

FOOD AND DRUGS ACT 1955  
MILK

Milk is produced at two farms in your area. It is taken for treatment direct to a Dairy in an adjoining district. There is no Dairy in Amblecote. As the Urban District is a Specified

REPORT

The following is a summary of the results of the investigation conducted by the author during the period from 1911 to 1913. The purpose of this study was to determine the effect of the various factors mentioned in the title upon the growth and development of the plant under consideration. The results show that the factors mentioned in the title have a marked influence upon the growth and development of the plant, and that the effect of these factors is in general in the direction indicated in the title.

GENERAL CONCLUSIONS

As in the case of the other factors, the effect of the factor mentioned in the title is in general in the direction indicated in the title. The results show that the factor mentioned in the title has a marked influence upon the growth and development of the plant, and that the effect of this factor is in general in the direction indicated in the title.

REFERENCES

All of the material mentioned in the title of this report was obtained from the author's own observations and experiments. The results of these observations and experiments are given in the text of this report. It is to be understood that the results of these observations and experiments are given in the text of this report, and that the results of these observations and experiments are given in the text of this report.

APPENDIX

This is a list of the various factors mentioned in the title of this report. It is to be understood that the results of these observations and experiments are given in the text of this report, and that the results of these observations and experiments are given in the text of this report.

Area all milk sold is either tuberculin tested, pasteurised or sterilised. Supplementary Licences to retail Milk in Amblecote have been issued to 10 persons whose premises are outside the district and 12 Shopkeepers within the District have each received a Retailer's Licence.

#### FOOD - PUBLIC HEALTH (MEAT) REGULATIONS

No Slaughter-house is in use in your district. There are three retail Butchers. They obtain their meat as follows:- (1) from Dudley (Dudley Co-operative Society); (2) from Wolverhampton Abbatoir; (3) from Kidderminster. In each instance there is 100% inspection by qualified Inspectors. There have been no seizures or surrender of unsound meat. Very few pigs are fed by ordinary householders. No notices to slaughter swine, etc. on private premises were received during 1959.

Slaughter of Animals Act, 1933. Two persons only are licensed to slaughter or stun animals in a Slaughterhouse. There is no Knacker Yard in your district.

#### FOOD HYGIENE

All the food shops and canteens have been inspected regularly and it has not been found necessary to take any Legal Proceedings.

Food is sold by retail in the following shops:-

Business premises only - Grocers 5; Butchers 1; Greengrocer 1.  
 Combined shops and dwelling houses - Grocers and General 9;  
 Butchers 2; Greengrocers 3; Sweets, Tobacco etc. 3; Fried  
 Fish 2; Café 1.

Eleven factories have Canteens for their employees.

One "Model" Bakery (Factory) is in operation from which Bread is distributed over a wide area.

No Ice Cream is manufactured in your area. 20 premises are registered for the storage and sale thereof. They are each fitted with a suitable "Conservator". The premises

comprise 17 Shops, 1 Café, 1 Sports Pavilion and 1 Public House.

One market, a private one, operates for the sale and distribution of agricultural produce. It is also used as an Egg Packing Station. There is no public market nor are there any stalls for street trading.

#### UNSOUND FOOD

One consignment consisting of 100 stones of onions were surrendered voluntary the same being in an advance state of decomposition.

#### PREVENTION OF DAMAGE BY PESTS

The following premises have been treated for infestations of Rats and Mice, viz:- Factories 5, Hospital 1, Dwelling Houses 10. The Factories are, by arrangement, treated quarterly. The work is performed by an "Operator" employed by Brierley Hill Urban District Council. The assistance in this direction of the Chief Public Health Inspector at Brierley Hill, is appreciated. A charge to cover the cost of treatment is made in respect of premises other than dwelling houses. The Sewers have not been treated as tests proved negative.

#### SMOKE AND ATMOSPHERIC POLLUTION

The year has seen a further improvement in this field particularly in respect of the reduction of smoke from factories within the area. Only one factory is now giving any trouble with smoke from the chimney stack serving the heating boilers. It is hoped that this will be abated shortly when the boilers are converted to oil firing.

Grit and Dust from Furnaces Suitable grit arrestors have been fitted to all cupolas in the area with one exception. It is hoped that the firm concerned will comply with this request in the very near future.

comprise 15 shops, 1 cafe, 1 sports pavilion and 1 ladies lounge.  
One market, a private one, operated for two or three years  
in connection of agricultural produce. It is also used as an  
open market. There is no public market now and there  
are stalls for street trading.

MARKET FROM

The Commission consisting of 100 members of various ways  
represented voluntarily the same being in an advanced state of  
development.

PREVENTION OF DAMAGE BY PESTS

The following measures have been taken for the prevention  
of pest and disease viz:-  
1. The various and the Government, various districts  
the work is carried out by "Pest Control" employed by District  
Urban District Council. The extension in this direction of  
the Civil Public Health Inspector of District Hill, is expected  
A check to cover the cost of treatment is made in regard to  
pests other than the following. The districts have not been  
treated as these proved negative.

WORK AND ATTACHMENT FOLLOWING

The year has seen a further improvement in this field  
particularly in respect of the reduction of work from  
within the area. Only one factory is now giving any trouble  
with work from the chimney stack emitting the heating boiler.  
It is hoped that this will be cleared shortly when the boiler  
is converted to oil firing.  
The following list of work is being done:-  
1. To all engines in the area with one exception. It is  
hoped that the first conversion will begin with this engine in  
the very near future.

There has been close co-operation between the Alkali Inspector and myself in respect of factories at which we have joint responsibilities. This co-operation has been greatly appreciated.

PET ANIMALS ACT 1951

No premises are licenced.

PETROLEUM ACT

24 premises are licenced to store petroleum spirit in the area, the total amount licenced being 22,710 gallons. Licence fees amounted to £14 - 10s. - 0d.

1 licence covering the storage of 224 lbs. Calcium Carbide was issued, the fee amounted to 5s. 0d.

In conclusion I would like to thank my colleagues and staff for the assistance rendered to me.

To the Chairman and Members of the Public Health Committee my thanks for their confidence and support.
