Albert Street,
BRIDGWATER.

February, 1955.

To the Chairman and Members of the
Bridgwater Port Health Authority.

Ladies and Gentlemen,

I have the honour to submit my report for the year
ended 31st December, 1954.

The health of the Port has been satisfactory
throughout the year.

Treatment of venereal diseases is obtainable at
the Clinic in Bridgwater, and details of these arrange-
ments and also the facilities available at all Bristol
Channel ports, are displayed in prominent positions
throughout the area of the Port.

The Port Health Inspector's Report is appended,
together with statistics of the shipping using the Port.

R.H. WATSON,

Medical Officer of Health.

Albert Street,
BRIDGWATER.

February, 1925.

To the Chairman and Members of the
Bridgewater Port Health Authority.

Ladies and Gentlemen,

I have the honor to submit my report for the year
ended 31st December, 1924.

The health of the Port has been satisfactory
throughout the year.

Treatment of venereal diseases is obtainable at
the Clinic in Bridgewater, and details of these arrange-
ments and also the facilities available at all Bristol
Channel ports, are displayed in prominent positions
throughout the area of the Port.

The Port Health Inspector's Report is appended,
together with statistics of the shipping using the Port.

E. H. WATSON,

Medical Officer of Health.

Town Hall,

BRIDGWATER

February, 1955.

To the Chairman and Members of the
Bridgwater Port Health Authority.

Ladies and Gentlemen,

I beg to submit my report for the year ended 31st
December, 1954.

The number of coastwise ships using the Port during
the year has again increased, with a corresponding
increase in the total tonnage.

There have been slightly less ships from foreign
ports visiting the Port as compared with the previous
year.

The inspections carried out have not revealed any
serious defects, whilst no rats were found on any vessel.

R.K. LEAN,

Port Health Inspector.
