Albert Street,
BRIDGWATER.

February, 1957.

To the Chairman and Members of the
Bridgwater Port Health Authority.

Ladies and Gentlemen,

I have the honour to submit my report for the year
ended 31st December, 1956.

The health of the Port has been satisfactory
throughout the year.

Treatment of venereal diseases is obtainable at the
Clinic in Bridgwater, and details of these arrangements
and also the facilities available at all Bristol Channel
ports, are displayed in prominent positions throughout
the area of the Port.

The Port Health Inspector's Report is appended,
together with statistics of the shipping using the Port.

R.H. WATSON,

Medical Officer of Health.

Albert Street,

BRISTOL.

February, 1937.

To the Chairman and Members of the
Bristol Port Health Authority.

Ladies and Gentlemen,

I have the honour to submit my report for the year
ended 31st December, 1936.

The health of the Port has been satisfactory
throughout the year.

Treatment of venereal diseases is obtainable at the
Clinic in Bridgwater, and details of these arrangements
and also the facilities available at all Bristol Channel
ports, are displayed in prominent positions throughout
the area of the Port.

The Port Health Inspector's Report is appended,
together with a list of the shipping using the Port.

E. H. WATSON,

Medical Officer of Health.

Town Hall,

BRIDGWATER.

February, 1957.

To the Chairman and Members of the
Bridgwater Port Health Authority.

Ladies and Gentlemen,

I beg to submit my report for the year ended 31st
December 1956.

The number of coastwise ships using the Port during
the year has again increased, with a corresponding
increase in the total tonnage. This is mainly due to
the opening of the new wharf at Walpole.

There has been one less ship from foreign ports
visiting the Port as compared with the previous year.

The inspections carried out have not revealed any
serious defects, whilst no rats were found on any vessel.

R.K. LEAN,

Port Health Inspector.
