SECTION I - 1966

TABLE A

Appointments held	Qualification	Date of Appointment	Name of Office
			<p>22, King Square, Bridgwater, Somerset.</p> <p>February, 1966.</p>

To the Chairman and Members of the
Bridgwater Port Health Authority.

Ladies and Gentlemen,

I have the honour to submit my report for the year ended 31st December, 1965.

The health of the Port has been satisfactory throughout the year.

Treatment of venereal diseases is obtainable at the Clinic in Bridgwater, and details of these arrangements and also the facilities available at all Bristol Channel ports, are displayed in prominent positions throughout the area of the Port.

The Port Health Inspector's Report is appended, together with statistics of the shipping using the Port.

R. H. WATSON,

Medical Officer of Health

Town Hall,
Bridgwater, Somerset.

February, 1966.

To the Chairman and Members of the
Bridgwater Port Health Authority.

Ladies and Gentlemen,

I beg to submit my report for the year ended 31st December, 1965.

The number of coastwise ships using the Port during the year has decreased by 66 but the tonnage has remained the same. The decrease is due to the decline in coal shipments.

There have been 9 more ships from foreign ports visiting the Port as compared with the previous year, and the tonnage has increased by 2,000 tons.

The inspections carried out have not revealed any serious defects, whilst no rats were found on any vessel.

R. K. LEAN,

Port Health Inspector.

SECTION II

Amount of shipping entering the district during the year 1965

TABLE B

Ships from	Number	Tonnage	Number Inspected		Number of ships reported as having, or having had during the voyage, infectious disease on board.
			By the Medical Officer of Health	By the Port Health Inspector	
Foreign Ports	106	28,451	3	106	-
