Cough ! Cough ! Cough !

Hack ! Hack ! Hack !

Bark ! Bark ! Bark !

WHY DO YOU COUGH !

COUGHING is Nature's method of getting rid of an accumulation of phlegm from the mucous membranes of the Bronchial tubes ; it is this phlegm which causes wheezing, tightness and oppression of the chest, and makes breathing difficult. Constant hacking and straining to expel this phlegm racks the whole system.

CELEBRATED
BALSAM of HONEY

CUTS THE PHLEGM — HELPS EXPECTORATION.
WARMS THE CHEST—MAKES BREATHING EASIER.
ALLAYS THROAT IRRITATION AND SORENESS.

A RENOWNED REMEDY FOR

**HARD DRY CHESTY COUGHS,
RELAXED, SORE or RASPING THROATS**
