CATALOGUE
OF
THE LIBRARY
OF THE
Odontological Society of Great Britain.

LONDON :
Printed for the Society by
WYMAN & SONS, 81, GREAT QUEEN STREET, W.C.
1879.

Extracts from the Bye-Laws of the Odontological Society, and from the Regulations of the Council.

Two Books may be allowed to be in the possession of a Member at a time. Pamphlets or Periodicals not to be retained longer than a week. Books not longer than a fortnight.

Periodical Publications shall remain on the Library table, for the use and inspection of Members, for a month, and other Books for one week after they have been received.

Should any Member injure, or remove from the Library, any Periodical or new Publication during the time allowed for its lying on the Library table, he shall be liable to a fine of five shillings.

When a work is lent out, a written acknowledgment shall be taken by the Sub-librarian. The title of the work, and the name of the Member who has borrowed it, shall be inserted in a book kept for the purpose. When the work is returned, the entry to be cancelled, and the work to be at once restored to its place by the Sub-librarian.

A Non-resident Member, wishing to borrow a work, and unable to apply for it in person, must write to the Librarian according to the following form, naming a friend who will call for the Book.

FORM OF APPLICATION.

I *Member of the Odontological Society of Great Britain,*
request the loan of
and I authorize Mr.

of *to apply for it.*
I undertake to pay all costs of conveyance, and also for any damage the book may receive between the time of leaving the Library and returning to it, and to pay the original cost of the book if it be lost in transmission.

The person so authorised must sign the Loan-book on receiving the work.

Students at the DENTAL HOSPITAL OF LONDON are permitted to use the Library under the following Regulations:—

1. For the use of Books and Periodicals in the Reading-room, an order for three months may be obtained on application to the Sub-librarian, which order must be signed by the Librarian, and by one of the Dental Surgeons to the Hospital.
2. A Student wishing to borrow a Book must obtain a special order from the Sub-librarian, to be signed in the same way as the order referred to in the previous paragraph.

Students are required to write in the Loan-book the names of the works consulted by them or lent to them, with their signature and the date.

If application be made for the same Book by a Member of the Society and a Student, the Member takes precedence, and the Student's name is to be entered by the Sub-librarian in a book for the refusal of the work when returned by the Member. But if, in the meantime, other Members desire to have the work, the Student must still wait till there are no fresh applications for it by Members.

The Student must return the Book to the Sub-librarian not later than the 14th day from that of its Loan, nor can he have the same Book a second time during the same session of the Dental Hospital.

He may only have one work in his possession at a time.
