BOROUGH OF DEAL.

DOVER (DEAL
DIVISION) PORT SANITARY DISTRICT.

REPORT

of

MEDICAL OFFICER OF HEALTH.YEAR 1936.

Dear Sirs,

I submit herewith my Annual report for
the twelve months ended 31st December 1936:-

During 1936 no activities have taken
place in connection with the Port and no matters have
arisen requiring the attention of the Medical Officer.

1. Amount of Shipping entering the Port during the
year nil
2. Character of Trade
 - a. Passenger Traffic nil
 - b. Cargo Traffic nil
3. Source of Water Supply.
Mains supply similar to that received by the Town.
4. Infectious Disease

Arrangements are in force whereby when
the occasion arises infectious cases will be
transferred to the Isolation Hospitals at Deal
or Eastry. Disinfection would be performed at
these centres.

There are no arrangements for the cleansing
of persons.

Cases of venereal disease would be referred
to the nearest centre for treatment, viz. Dover.

Bacteriological examinations are carried
out by the County Pathologist at Maidstone.

TABLE C. Cases of sickness from vessels nil

TABLE D. Cases of infectious sickness occurring on
Vessels during the voyage but disposed of prior
to arrival nil

5. Measure against Rodents.

It has been unnecessary to take any measures
against this plague.

TABLE E & F.

Rats destroyed during 1936:-

- a. On vessels nil
- b. In Docksets..... nil.

TABLE G.

Particulars relating to Vessels "infected"
or "suspected" or from infected Ports arriving
in 1936 nil

TABLE H.

Vessels (other than in G-) subjected to
measures of Rat destruction in 1936 nil

DOVER (DEPT)

W. K. THORNTON

ST. LOUIS, MO.

APRIL 1914

DEPT. OF AGRICULTURE

6. Hygiene of Crew's Spaces.

Classification of nuisancesnil

7. Food Inspection.

No occasion arose when it was necessary to take any steps under this heading.

There are no shellfish beds liable to pollution.

It has not been necessary to have any samples of food examined.

D.W.KIRK,
M.O.H.
